

CONTINUING EDUCATION FOR SOCIAL WORKERS

A. Philosophy:

Continuing education means instruction and learning which fosters the enhancement of general or specialized social work practice, values, knowledge, and skills.

B. Definitions:

1. Continuing Education: The continuing education offerings for each discipline (social workers and marriage and family therapists) are approved independently. Licensees should NOT assume that an approved offering for one discipline is also approved for the other discipline. The MBOE website maintains separate lists of approved continuing education offerings for social workers and marriage and family therapists. The Board shall credit continuing education for social workers as follows. Parts of programs which meet the criteria set forth in these rules and regulations (relating to Types of Continuing Education and Criteria for Approval of Continuing Education Activities) shall be credited on a one-for-one basis with one clock-hour credit for each one clock-hour spent in the continuing education activity, unless otherwise designated by the Board or the Board's designee. Time devoted to registration, organizational business, breakfasts, luncheons, dinners, or other refreshments shall not be counted as instructional or continuing education credit time. When there is a luncheon speaker, only the time of the speaker's presentation may be calculated for continuing education credit. Forty (40) clock hours are required each renewal period.
2. DESIGNATED PROVIDERS (DPs) are organizations or institutions determined by the NASW MS Chapter Continuing Education Committee or the MS Board of Examiners to meet the standards for continuing education. These organizations hold standing by application, review and approval for a two (2) year period of time, during which they must consistently comply with all requirements. Complaints and random audits by NASW MS Chapter CE Committee, MBOE members or their designees may result in removal from the status at any time and may prohibit renewal. Organizations who are approved for this status shall have their DP number and dates of approval on all documentation, and will be listed with this information for public review and continuing education resources on the NASW MS Chapter website (www.naswmschapter.org) and the MBOE website (www.swmft.ms.gov) and any publications therein.

Organizations interested in applying for DP status must contact NASW, MS Chapter for application materials. Only those organizations that have previously held three successful programs approved for social worker continuing education by NASW, MS Chapter CE Committee may apply for DP status. Contact the NASW, MS Chapter office through the website,

www.naswmschapter.org, by calling 601.936.0557 or writing to NASW, MS CE Committee, P.O. Box 5599, Pearl, MS 39288.

The following organizations are automatically approved for social worker continuing education by the MBOE and do not need to complete DP application process for program approval:

- a. Any program approved by the national NASW office, or any NASW Chapter;
- b. American Association for Marriage & Family Therapy or any of its state chapters;
- c. Any state chapter of Council on Social Work Education approved schools of social work (In order for continuing education offerings to be approved by this type of designated provider, the school of social work must be actively engaged in the planning and presentation of the offering);
- d. Association of Social Work Boards or any state licensing board affiliated with;
- e. International Association of Social Workers or any program approved by member countries; or
- f. International Federation of Schools of Social Work and member schools.

NASW MS Chapter and MBOE reserve the right to void approval of a specific program that has been previously granted approval by any of the above listed organizations or the current DP listing, should content and speaker be determined upon review to contain content that is not post-baccalaureate level or is in serious conflict with social work values and education.

Organizations that are approved for Designated Provider status must be actively engaged in the planning, development and presentation of the continuing education programs they provide. Co-Sponsorship will not be accepted.

C. Continuing Education Requirements for Renewal:

Forty hours of approved continuing education is required for each renewal period. The applicant will submit a listing of that period's earned hours with an attestation statement that the list is true and correct. (See Section VIII, B.2)

1. LSWs will not submit continuing education at the first renewal.
2. LMSWs holding no previous license will not submit at the first renewal. LMSWs upgrading from LSW will submit at the first renewal period.

F. Reporting Procedures for Continuing Education:

1. Provider Responsibility: It is the responsibility of each provider of continuing education to: 1) verify attendance of attendees at all conference sessions when credit is being requested. 2) provide the Board or the Board's designee with a verified list of participants, and 3) provide the attendee with a written statement, verification, or certificate of attendance at the conclusion of an offering.

The attendee's verification must include the following information:

- a. Name of attendee
- b. Name of offering
- c. Date of offering
- d. Provider's name
- e. Location of offering
- f. Signature of organizer/sponsor or designee
- g. Amount of approved continuing education hours awarded

Licensee Responsibility: It is the sole responsibility of the licensee to: 1) obtain verification of attendance documenting continuing education offerings; 2) provide proof of participation in approved continuing education offerings to the Board; 3) provide attestation of having completed continuing education; and 4) maintain for four (4) years their own records and official verification of the continuing education files for the licensees. Failure to substantiate the number of approved credits submitted or to submit documentation for a sufficient number of approved continuing education credits will result in a license not being renewed.

G. Random Audit of Continuing Education Documents:

The Board will annually audit, or cause to be audited, a minimum of 20% of social work renewals for continuing education verification based on random selection of licensees eligible for renewal. Notice will be sent to selected licensees sixty (60) days prior to license expiration date. Licensees must submit satisfactory documentation of continuing education thirty (30) days prior to their license expiration date so verification by the Board may occur before the license expiration date.

Licensees who are unable to produce documentation of the required continuing education will not have their license renewed.

- Licensees found to be fraudulent in reporting will be given opportunity for a hearing before the Board. Licensees determined to be negligent may be sanctioned accordingly.

H. Re-evaluation of Continuing Education:

A licensee who feels that evidence of continuing education was appraised incorrectly by the Board, may make a written request for re-evaluation to the Board within thirty (30) days of the Board's finding. Verbal requests will not be honored.

I. Waiver of Continuing Education requirements and Requests for Extension of Time to Complete Continuing Education requirements:

1. The Board may waive continuing education requirements to a licensee who was not engaged in the practice of social work during a given continuing education renewal period on an individual basis for reasons of hardship, such as severe illness, disability, military service or other good cause. Any waiver will be granted solely in the discretion of the Board.

2. The Board may extend the time within which to fulfill continuing education requirements to a licensee during a given continuing education renewal period on an individual basis for reasons of hardship, such as severe illness, disability, military service or other good cause. Any waiver or extension of time will be granted solely in the discretion of the Board.

3. A licensee must submit a written request for a waiver of, or extension of time within which to fulfill, continuing education requirements. The request must be made in writing, under penalty of perjury, and must set forth with specificity the reasons for requesting the waiver or extension and, in the case of the waiver request, the portion of the renewal period during which the licensee was not engaged in the practice of social work. The licensee shall submit to the Board all documentation in support of the request for waiver or extension and such additional information or documentation as the Board may request in support of the waiver or extension.

4. Waivers of the minimum continuing education requirements may be granted for up to one-half of the forty (40) hours of continuing education required for any two-year (biennial) renewal period. Extensions of time may be granted by the Board for a period not to exceed one (1) calendar year. The grant of an extension by the Board will result in the renewal of a license based on the condition that the licensee completes the continuing education requirement by the deadline established by the Board.

5. A waiver of continuing education requirements granted pursuant to this section shall be effective only for the biennial period in which such waiver is granted. If the

condition(s) which necessitated the waiver continues into the next biennial period, a licensee who seeks another waiver must apply to the Board for a renewal of such waiver for the new biennial period.

6. If an extension of time is granted, the license will be placed on active status but the license shall be automatically changed to inactive status at the end of the extension period unless the licensee satisfies the continuing education requirement prior to that time. When the license is placed on inactive status, the licensee shall cease all activity requiring a license.

7. A licensee shall apply for a waiver or extension of continuing education requirements no later than 30 (thirty) days prior to the end of the biennial licensing period for which the waiver or extension is requested. All requests shall be sent to the office of the Board, by certified mail, return receipt requested.

8. An extension of time shall not be granted to any licensee who obtained an extension in the immediately preceding renewal or reporting period in which the licensee held an active license, except in the case of a licensee who is unable to complete the requirements due to military service commitment pursuant to a combat or national emergency assignment.

9. The Board may, as a condition of any extension or waiver granted, require the licensee to make up a portion of the continuing education requirement in the manner determined by the Board.
